A Note From The Teacher

Welcome to 5th grade. I look forward to working with you this year. While this year will be very different from years in the past, I know we will have a successful year.

Work will be assigned each day and should be completed by the end of the day it is assigned. If you have any questions about this, please feel free to call, email, or send me a message through Remind.

Reminders

- Students should have a notebook or paper on hand for Math and Reading. Students should have something to write with (pencil preferred). If any other resources are needed for a lesson, you will be notified via Remind.
- Students will log in and work with the teacher for 2 hours 2 days a week. Students will have assigned work every day.
- Students will use Zoom or Google Meet to video conference with the teacher. Links and information will be provided via Google Classroom

What We Are Learning

Reading: We will be reading "Tuck Everlasting" by Natalie Babbitt. We will be working on identifying figurative language as it is used in text, how a character develops during a story, making inferences, and drawing conclusions.

Math: Students will begin by practicing with word problems. We will include basic computation using whole numbers and decimal numbers.
