Guidance Counselor,

This is to inform you that the Denver L. Kendall Scholarship Fund of the Fraternal Order of Eagles is once again able to provide a cash Scholarship of \$500 to \$1,000 to one (1) of your school's worthy graduating students. This is our 20th year of honoring our graduating students in each of the five (5) county high schools, Lee High School, as well as to one of our fellow member's child. We hope to continue this venture and keep living up to our own motto of "People Helping People" through helping our future adults with their education. In keeping within our motto, you will note that the selection of this scholarship does not solely depend upon a student's GPA, but also on the amount of home, school, community and/or church service they have been involved in within the past 2-3 years.

Again, we hope you will help us in this endeavor by making the students aware of the Scholarship and by providing copies of the enclosed application to assist in their applying. As a guidance counselor, you also know your students better than we would with the information provided by these applications, please feel free to make any suggestions concerning the applicants as you submit the forms.

We need to have the applications back by March 29, 2019 so our reviewing committee may review each and select one for your school by the first of May; making it available to be presented at your awards assembly.

Looking forward to working with you on this venture.

Sincerely,

Scholarship Committee
Fraternal Order of Eagles
