On Tuesday April 2, 2013, seniors Deborah Finney and Philip Ricketts represented Robert E. Lee High School at the Annual Staunton Rotary High School Code of Ethics Award Luncheon held at the Stonewall Jackson Hotel. Two students from each area high school were selected to receive this award. Miss Finney and Mr. Ricketts were joined by their mothers, principal and guidance counselor at the luncheon. Students were nominated by their senior class peers and a male and a female were selected from the senior class at Lee High. The following criteria for nomination were provided to the senior class: pride in self, community involvement, school involvement, good citizenship, high level of character, and, if you need help this is a person you could count on.

Rotary is a world-wide organization of business professionals dedicated to improving the lives of others. The mission of the organization is to provide service to others, to promote high ethical standards and to advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders. The local Staunton club received its charter in August 1920.

Robert E. Lee High School Guidance Director, Mark Rexrode said, “This is an incredible honor for them, especially since they were selected by their peers and they exemplify everything we want a Leemen to be”.
