#### STAUNTON ELKS LODGE #351 DONATES SAFETY GLASSES

**Staunton, VA** – Staunton City Schools' students are once again the recipients of the generosity of the Staunton Elks Lodge #351, who recently donated two hundred pairs of safety glasses to Staunton City Schools. The Lodge has been supporting Staunton City Schools in supplying this much-needed safety equipment for the past several years. "I appreciate the Elks' interest in our students and their well-being. Our school division is fortunate to benefit from the support of community organizations like Staunton's Elks Lodge #351." said Dr. Reveia.

Presenting the glasses on behalf of the Staunton Elks Lodge #351 were Mrs. Nancy Dickerson, Exalted Ruler of the Lodge, and Mr. Paul Hiveley, Chairman of the Safety Glass Committee. The glasses were presented to Dr. Linda Reveia, Superintendent, and Mrs. Dori Walk, Executive Director of Instruction. The safety glasses are used by the students on a regular basis to provide eye protection while participating in a variety of educational activities, such as conducting science experiments, observing chemical reactions, working with rockets and model cars, etc. Mrs. Walk added, "It is great to see the students using these safety glasses as they are taught to observe the proper safety precautions in these lab-type settings."
