#### LEE SENIORS HONORED AT SENIOR DAY ASSEMBLY

On Friday, May 23, the halls of Robert E. Lee High School were empty as the student body and staff took a break from the regular class schedule to assemble in the auditorium for the Senior Day 2014 celebration. Senior Day is an annual event where members of the senior class are recognized for their outstanding efforts throughout their years at Robert E. Lee High School. Representatives from various businesses and organizations were on hand at the assembly to present deserving seniors with scholarships and awards.

David Eiker, Senior Class President, announced each of the 162 members of the Class of 2014 as they entered John Lewis Auditorium and came down the aisle to their assigned seats on the stage. The auditorium brimmed with excitement as parents, family members and fellow students anxiously waited for their son, daughter or friend to be called forward to receive an award. More than sixty individual scholarships were awarded at the assembly, totaling over \$250,000. To date, Robert E. Lee High School's Class of 2014 has received scholarships and awards totaling nearly \$2 million – a number that grows daily as students continue to receive notifications and award letters from their prospective colleges and universities. In addition, over 200 awards were given for achievement and excellence shown in areas such as academics, technical skills, performing arts, character, citizenship, leadership, patriotism, community service, athletics, etc.

The Class of 2014 has a long list of accolades and honors for which they should all be proud. Staunton City Schools congratulates each one as they move through this very exciting time of high school graduation.
