

## AGENDA ITEM BRIEFING

---

**Item Briefing Number:** VIII-D  
**Meeting Date:** July 13, 2020  
**Subject:** Surplus Vehicle  
**Policy or other reference:** DN – Disposal of Surplus Items

**Background:** The following vehicle has been deemed to be no longer usable by the school division:

1990 Ford Chip Van  
Vin# 1FCJE39H3LHA93537  
Mileage 66,579

The vehicle will not start/run due to a bad engine. The vehicle will not pass inspection in its current condition and will require extensive repairs to make it safe and usable again.

**Discussion:** Permission is requested to declare this vehicle as surplus. The vehicle would then be offered for sale on Govdeals.com, and, if the vehicle does not sell within 30 days, some parts will be sold for scrap metal revenue and the remainder of the vehicle will be taken to the landfill for proper disposal.

**Suggested Motion:** I move that the School Board authorize the surplus/disposal of the listed vehicle, as noted.
