

AGENDA ITEM BRIEFING

Item Briefing Number:	VII-D
Meeting Date:	May 10, 2021
Subject:	Request Approval of Application for Title I, Part D Grant (Neglected and Delinquent)
Policy or other reference:	2021-22 Applications for Federal Program Funds under the <i>Elementary and Secondary Education Act of 1965</i> (ESEA), as amended by the <i>Every Student Succeeds Act of 2015</i> (ESSA);

Background: Each year, the school division is required to report the number of neglected and delinquent students in the locality, which includes students from Liberty Point. This year, the school division was notified that we will be receiving federal funds from Title I, Part D, Subpart 2 grant based on our October 2020 reported numbers. The 2020 October Count reported 34 delinquent students, resulting in qualification for this grant and a projected 2020-21 allocation amount of \$ 55,188.64.

Discussion: These funds are used, in collaboration with local facilities, to support area youth who are at risk. Consultation including a needs assessment will be completed in May/early June 2021 in order to determine how these funds may be best matched with targeted needs.

Suggested Motion: I move that the school board approve the application for the 2021-22 Title I, Part D (Neglected and Delinquent) grant.
