## Extra help for making decisions

You need to choose among different health benefits and insurance plans. You'd like to make a confident decision. And choose the plan that's best for you and your family.

Comparing costs, like premiums, can make it easier, right?

Our Plan Selection & Cost Estimator tool lets you do just that. What's more, you can use it on your desktop, tablet or mobile device.

## Easily estimate costs and compare plans

Use the tool to:

**Estimate what health care services may cost you in the coming year.** These estimates factor in the:

- Recommended preventive medical care for each covered family member, based on their age and gender
- Average cost of expected medical services for each covered family member

**Compare plans side by side.** You can see:

- The amount you'll contribute from your paycheck
- How much you may pay out of pocket next year
- How much your health plan pays for expected health care services, including preventive care

## Just follow these three steps

**Step 1: Have the following information handy:**

- Past year's medical history for you and covered family members
- Yearly amounts you'd pay for each plan offered (premiums)
- Website address your employer provides to log in to the tool

**Step 2: Log in and enter any needed information**

You'll be asked where you live and who the plans will cover. And you'll see a list of medical services that you and your family may need. Just pick the plans you want to compare. It's easy with the step-by-step prompts.

If you're an Aetna member who has already signed up for your secure member website, some information is already loaded in the tool. Like your name and address. And claims information from the past 12 months. This helps you plan more realistically for medical services you might need in the year ahead.

Not signed up for your secure member website yet? Visit [www.aetna.com](http://www.aetna.com) to get started. Or you can sign up when you log in to the Plan Selection & Cost Estimator tool.

**Step 3: View your results**

The easy-to-read chart does the work for you. Now you can feel good about the health plan decision you make.

## Ask your employer about using our Plan Selection & Cost Estimator tool. Picking your health plan just got a lot easier.
